Tom, I'm enclosing the docket sheets from April 18, 2002 to May 18, 2002. If I had received a notice to file missing parts, I would have docketed it for May 18, 2002 with a reminder possibly docketed for April 18, 2002.

I do not recall receiving this notice and I certainly would have docketed it if I had. You can fax over a statement to that affect and I will sign it.

3. Having recently reviewed the records maintained at Lorusso & Loud in response to a telephone inquiry from Thomas M. 4. Having just reviewed the records maintained at Lorusso & Loud in response to a telephone inquiry from Thomas M. Saunders, I did not find any record that a Notice of Abandonment was ever received at Lorusso & Loud related to BOL-101, the above-noted application

5. For a Notice to File Missing Parts of Non-Provisional Application dated March 18, 2002, in ordinary course of business as the Lorusso & Loud Docket Clerk, I would have entered the Notice as a reminder due date in 1 month on April 18, 2002 and "due date" on May 18, 2002.
